# BUILDERS ALMOST HAND MARKLE DOUBLE DEFEAT

Premier Pitcher of Virginia League Yanked in First—Wins by One Run Margin in the Second.

NEWPORT NEWS, VA., August 8.—
Markle, premier pitcher of the Virginia League this season, came mighty near a double defeat at the hands of the Shipbuilders this afternoon, being hammered from the box in the first game and winning out in the second by a mand winning out in the second by a mand winning out in the second by a marrow margin of 4 to 3, there being a man at third when Thrasher ended the game with a sensational catch of Krepps's long drive to right centre.

Markle was wild at the start of the first game, and the Builders mixed their safe drives with passes and a hit batsman and got five runs off the Tennessee boy before Pressly yanked him in favor of Cochran. The ex-sailor was hit opportunely. Mumford started for the locals, but retired in favor of Mullin after the locals got a lead.

Barton pitched brilliant ball in the second game until the eighth inning. Then he hit one batsman, walked another, and allowed a single, and intercepted a threw home which would have cut off the first run of the Inning and prevented a secore in that round. The Builders staged a raily in the ninth in

cut off the first run of the inning and prevented a score in that round. The Builders staged a rally in the ninth inning, Spratt's triple and Smith's triple netting one run.

The hitting of Smith was the feature of the afternoon's play, the home outfielder getting three singles and two triples and a base on balls in nine trips to the plate. He scored four runs in the first game and one in the second.

In the four games played to-day and yesterday the Builders stole fifteen bases on Stewart, while the Tars total for the four games was five. Scores:

Of the team. The selection of the running regulars has been entirely up to him. What has he done? Kept a bunch of men that are good only for seventh place at best, and let at least a dozen stars slip through his hands. If a team were recruited from the best men that Chance has placed the "No. G." stamp upon that team probably could give the Athletics a fight all the way. At any rate, such a team certainly would land in the first division, and be perfectly able, at all times, to wallop Chance's regular team at least seven times in every ten attempts.
